---

Dear Darcy, Steve, and Fellow Members of Two Twelve Degrees,

On behalf of the Mission Regional Chamber of Commerce, I would like to thank you profusely for your participation in our first annual Mission Business Excellence Awards Gala held in the Best Western ballroom on Friday, October 17<sup>th</sup>.

The event garnered an enthusiastically positive response throughout our entire community and this was, in no small part, due to the entertainment provided by Two Twelve Degrees.

The music had everyone up and dancing and enjoying themselves but you went above and beyond by providing your expertise and time before the event to ensure that stage design, sound, and general layout would work for everyone involved. You helped to ensure a smoothly run event in every aspect and your input was extremely valuable and appreciated.

We received several inquiries about the band and would be happy to recommend you to anyone. We look forward to having you back next year as it would not be the same without you!

Sincerely,

*Sue Jackson*
